 Darsana Puthuppally

Darsana CMI International School, Puthuppally

A Trend setter among the top schools in town!!

The Darsana CMI International School, Puthuppally prides in following closely on the footsteps of the visionary Saint Kuriakose Elias Chavara. A sacred temple of education run by the CMI Fathers, we strive on a mission to allow all our students to develop their critical thinking and communication skills. We at 'Darsana', strongly believe every child's passion and interests should be encouraged.

The great vision of our Patron Saint Kuriakose Elias Chavara is our driving force to establish a community of competent individuals capable to take on the challenges of the world with utmost confidence. We at Darsana are executing this dream of moulding a new generation of intellectually competent, spiritually mature, morally upright, psychologically integrated, physically healthy and socially acceptable boys and girls. Every child who walks into this school immediately becomes a part of the Darsana family.

The dedicated and qualified staff are on a mission to facilitate learning, balancing both scholastic and non-scholastic areas in learning, to help develop a well-rounded personality. Our structured curriculum, continuous evaluation and value based education help in attaining our set goals. Service, social responsibility and leadership are part of the school's curriculum and are embedded in its ethos.

The Darsana CMI International School, Puthuppally has prospects to be a Higher Secondary School aiming at growing to the National level with International features. With competent teachers, modern facilities and the state of the art infrastructure, we are definitely sure to realize our dreams. The school follows the ICSE curriculum and syllabus and is affiliated to ICSE, New Delhi with affiliation number 145/2014.

Darsana CMI International School, Puthuppally is a hallmark of quality education assuring that there is no compromise with excellence!
